EDITOR'S LETTER

We're always at a loss when it comes to which girl to drool over first so we might as well just start with cover girl Amber Starr! And what a cover shot it is! If you like seeing her pulling her knickers up right into her crotch wait until you see her taking them off! And that's what the rest of the girls in the magazine do too, showing themselves off in their full glory. A few of them are fully shaved, some of them have a little bit of fluff, but Vintage girl Kim (page 64) has got a rainforest going on down there. There really is a bit of something for everyone. And if you want to see something a bit more hardcore most of the girls have some extra special treats for you waiting at www.paulraymond.xxx!

Dear Mayfair,

Living in a flat above a newsagent means I don't have far to go to pick up my regular copy of Mayfair. The other week, a gorgeous girl called Nita came to work in the shop downstairs. Nita is about 20-years-old, Asian, with long, dark hair and a slim, sexy figure.

One day, I went into the shop for my magazine and Nita was behind the counter.

"Excellent choice," she smiled, flicking through the mag. "Lots of pretty, naked girls in there."

I was a bit taken aback as I handed over my cash, to say the least. Yet, later that day, I was up in my flat, cock out, tugging off over the babes in Mayfair, when there was a knock at the door. I was stunned to see Nita smiling at me on the doorstep.

"Hi," she said. "I thought you'd like this," and she handed me a copy of the latest Best Of Mayfair.

She looked really sexy in a skimpy, white cropped top, which, along with her skin tight, blue hipster jeans, showed off her well-toned midriff. I welcomed her in and, following her into the living room, ogled her cute, firm bottom pressing against her tight jeans.

My semi-hard prick soon sprang back to full erection.

"Caught you in mid-wank, didn't I?" asked Nita with a saucy smile, nodding towards my own copy of Mayfair. "I hope you haven't come yet."

My jaw dropped as she lifted off her little top to reveal her pert tits. "Let me make you come," she said as she slipped out of her jeans, leaving herself naked except for a tiny pink thong. She ran her smooth hands down my body and sank to her knees in front of me. Nita pulled down my boxer shorts, allowing my throbbing shaft to spring up into her face.

"Mmm, lovely," purred Nita as she stroked my cock with her fingers and squeezed my balls.

I moaned as she dragged her tongue up and down my length then swallowed my cock deep into her throat. Nita wanked the base of my dick and rubbed my balls as she sucked me off, pumping her lips vigorously up and down my straining knob. I ran my fingers through her hair and held the back of her head.

Suddenly, I felt my cock twitch and I groaned as my prick shot a torrent of hot, sticky spunk into Nita's wanton mouth.

As she greedily gulped down my jizz, more creamy white blobs of come shot onto the slut's face and tits.

Nita licked my prick clean and played with it until it was hard again. She stood up and peeled off her flimsy, pink thong, revealing her near-hairless cunt. "Lick me out," she begged. I knelt in front of her and pushed my face between her firm thighs, fondling her cute bottom and squeezing her bum cheeks as I did so.

I lapped at her hot, wet hole with my tongue and teased her sensitive clit with my fingers.

Nita moaned and writhed as I slipped my tongue inside her slit and over her clit. She came really easily, throwing her head back and screaming in orgasmic ecstasy as her girlie sex juices soaked my face.

Next, she got down on the floor on all fours, pushed her peachy arse in the air and spread her legs wide open. "Now fuck me, hard." Nita said as she fingered her juicy pussy. I got in behind her and pushed the head of my veiny shaft against her pussy lips.

"Ram it up me!" she urged. A second later, she squealed in pleasure as I drove my rock hard dick all the way inside her tight twat, stretching her pussy walls to the limit.

"That's it! That's it!" she yelled as I pumped my dick in and out of her fanny.

"Shag me harder!" Nita shouted. As I screwed her pussy, I reached around her and squeezed her ripe tits. I let my hand move down to her clit, massaging it with my thumb as I drove my cock into her love hole. Then she came on my dick as a powerful orgasm overwhelmed her body. Her screams of pleasure set me off.

My cock exploded inside her and filled her cunt with a huge wad of creamy, hot jism.

I now get my Mayfair hand delivered by my sex mad shop girl, Nita, and I'm guaranteed a great shag as well as memorable wanks! Cheers for a great wank mag, keep up the good work.

Dear Mayfair,

My name is Martin, and I'm from Germany. I want to write to thank you for your excellent magazine, which a friend brought back from a recent holiday in the UK. In Germany this title isn't available, which is a real shame, or maybe I just can't find it! I like looking at the non-German girls like Zara Mac, as well as the production of the magazine, and the way it gives me the chance to practice my knowledge of another language. Your magazine is very pleasing for me – I like nice girls and erotic stories. I wish you a lot of success with the magazine and hope to see more copies of it!

Dear Mayfair,

I'm a 32-year-old brunette with a slim figure and a nice set of tits.

Being bisexual, I love munching on a juicy pussy as much as I enjoy sucking a big, meaty cock.

The other week, my husband's mate Kev turned up on our doorstep. He'd had a bust-up with his wife and was looking for a

Dear Mayfair,

I've been really impressed with the quality of the girls you've been featuring in the magazine of late, but I was simply blown away by Ruby, who graced the cover on your latest issue. What a stunning beauty, and those spectacular nipples of hers were truly out of this world! I think I would like to hang my coat and clothes on them when I return home from a hard day at work, I'd happy just suck on them though! Absolutely sensational! Please let's see her back in the mag again before long! Keep up the good work – you're the best mag on the top shelf by far!

Tom.

place to doss down. We let him stay for a few days until he'd patched things up with his wife.

Ever since I've known him, Kev, who's in his 30s, has always had the knack of charming the girls onto his cock. The other day, I discovered he had lost none of his pulling power.

My husband, a lorry driver, was off on a trip down south, and I came home early from work to find Kev sitting on the sofa. Kneeling in front of him, completely naked, with her face between his thighs, happily sucking and slurping on Kev's cock, was our next door neighbour's 18-year-old tart of a daughter, Claire.

I watched in stunned silence from the doorway as Kev ran his fingers through Claire's long blonde hair while she greedily slid her lips up and down his thick shaft. As I watched the erotic sight, I pushed a hand up my short skirt and rubbed my pulsating clit. Wanking wasn't enough though, I wanted to taste his thick dick. As I strolled into my living room, Claire eyed me nervously, trying to cover her ripe little breasts. Kev, however, didn't bat an eyelid.

"Coming to join us, Karen?" he smiled, cheekily. I unbuttoned my white blouse and pulled off my black miniskirt.

"It's okay, Claire," I told the little slut, "I just want you to share him with me," and I peeled off my bra and panties. Naked, I knelt next to Claire and began to stroke Kev's glistening cock – it

was all shiny with Claire's saliva and the purple head was all sticky and gooey with his pre come.

As I wanked his big red knob, I pushed his shaft up towards his stomach and dragged my tongue up and down the underside of his pole. Letting it spring back down again, I rolled my tongue over its sticky helmet.

I had a thing for Claire, so I was delighted when the naughty young slut cupped my tits in her hands and ran her tongue over my erect nipples as I took all of Kev's length into my mouth. I sucked on Kev's prick for a while, my body tingling as mucky Claire licked and chewed on my hard nips. I let Claire get back to sucking Kev's cock and I ran my hands over her firm, young body. As Claire dragged her tongue up his shaft, I stroked and fondled her pert tits and let my hands stray between her thighs. Kev moaned in pleasure as Claire continued to vigorously wank and suck his dick, taking him to the very edge of shooting his load all over her pretty face. Without warning, the tart suddenly broke off from pumping her lips up and down his cock.

I rubbed my hand over her hot, wet pussy lips and Claire turned to face me; wrapping her arms around my neck, she snogged me full-on, planting her sweet mouth on my lips and sticking her cock-flavoured tongue halfway down my throat. She slipped a hand between my legs and within seconds Claire and I were frantically fingering each other to orgasm. Kev wanked his big cock furiously as he watched me and Claire bring each other off, our fingers jammed inside each other's tight cunts and our thumbs pressed urgently against each other's clit.

"Lick me out, Karen," Claire said as her orgasm subsided. I couldn't wait to taste her sweet pussy juice – I pushed her onto her back and she opened her legs wide. There was no need to be gentle with her for she was already gaping open and so I dived right in, shoving my tongue deep up her cunt. Claire moaned and writhed on the bed as I lapped at her cunt and Kev moved in behind me, his hard cock brushing against my arse cheek, leaving a trail of saliva and semen. I pushed my arse out more and he responded, fingering my cunt before sliding his hard cock deep up my twat.

My experience of pussy eating soon had Claire crying out like an animal as another orgasm tore through her body. I stuck two fingers up Claire's orgasming cunt and turned to Kev. "Fuck Claire," I said and eased myself off his rod.

"Fuck this dirty little bitch as hard as you can," I added, squatting over her face and holding her cunt open for him. As she sucked on my

EMMA

Welsh beauty Emma Green is back with a bang, and it's about time! "I know you're used to me appearing all the time in your magazines but you can't blame a girl for having a bit of a rest! Am I supposed to spend all of my time taking my clothes off for your eager beaver readers to get themselves off over?" We can't blame you, but it is a bit of a shame not having photos of you in the buff for our readers to please themselves over! You are smoking hot after all! "OK, sorry, you're right how can I deny my loyal fans? I hope they enjoy spunking all over themselves while they imagine fucking me while I'm bent over on all fours on this shag-pile rug! cunt, I watched Kev's cock disappear up her tight snatch.

Claire's filthy tongue soon worked its magic on my clit – it was obvious to me that mine wasn't the first pussy she'd had wrapped round her face – and I ground my cunt onto her mouth as I came, crying with pleasure.

Kev fucked Claire for all he was worth, driving his dick in and out of her twat fast and hard.

"I'm coming!" he yelled. Unable to hold back

any longer, he pulled his prick from her cunt and splattered her body with hot, white jizz.

Claire's stomach and tits were drenched in his come and still his spunk shot from him, splashing onto her pussy lips and thighs.

Claire scooped the come from her body and fed it to me and then I rubbed the spunk onto her cunt, into her hole and over her ring piece. Then we all collapsed in a heap. Kev left a week later but since then Claire and I have been getting it on as often as possible.

Dear Mayfair,

Congratulations on another superb edition of my all-time favourite magazine. Out of all the wonderful girls you featured, I was especially blown away by Bella Mendez, slap bang in the middle of the magazine! What an absolute stunner, with her huge boobs and perfectly smooth pussy – in fact, all of her pictures exemplify to me everything that's great about Mayfair – a genuinely beautiful girl, tastefully (un-)clad in sexy lingerie. I would like to know what the tattoo just above her pussy says though! Hopefully it's not something tacky like 'stick it in here' or something similar, but I would if she asked me nicely! I hope we'll be seeing more of her in the magazine soon. It's no less than she deserves.

Warren, Burgess Hill.

Dear Mayfair,

I'm a 31-year-old electrician and recently my mate asked me to repair a broken socket at his 20- year-old stepdaughter's flat.

When Aminah, a slim sexy babe with shoulder-length dark hair, answered the door, my eyes nearly popped out of my head. She looked fantastic, wearing a tight red T-shirt and a tiny belt-like white mini-skirt. I was drooling even more when Aminah's flat mate, Lee-Ann (also aged 20, with short blonde hair and a curvy, busty figure) appeared from her bedroom, wearing nothing but a smile and a flimsy pink towel. My cock stiffened rapidly as the scantily clad girls led me to the kitchen.

I fixed the socket within minutes, with the two girls standing either side of me.

"He's good with his tools, isn't he, Aminah?" smiled Lee Ann.

Aminah giggled. "You're only interested in one of his tools, Lee Ann, you filthy thing," I blushed as Lee Ann brushed her hand over the front of my trousers, feeling my swollen erection.

"Let's see your big dick," she begged, seductively.

In a bit of a daze, the pair of horny girls took me into the living room. They pulled my

clothes off and, within seconds, I was starkers. They sat me down in the middle of their settee. I watched, the tip of my cock already leaking pre-come, as Lee Ann and Aminah both stripped naked, revealing their ripe, round tits and cute bottoms, and showing me their shaved pussies.

The pair of petite nude babes smirked as they sat on my knees.

I fondled their firm titties as they snogged me. They giggled as I fingered their tight, wet fannies, tickling their clits until I'd made them both come.

Next, Lee Ann straddled my thighs and Aminah held the base of my shaft as her mate lowered her hot pink slit down and took my entire length up her tight snatch. Lee Ann put her hands on my shoulders and, as she slowly bobbed up and down on my cock, I squeezed her round breasts and licked her large, dark nipples while Aminah stroked her sensitive clit until she came all over my cock and balls.

"Give me a go on his cock," Aminah cried, petulantly. Lee Ann raised herself off of my throbbing rod and Aminah took her place. She sank her hot little cunt over my cock and slid her tight pink lips up and down my prick. While she rode me, Lee Ann licked my dick whenever Aminah rose up on it.

With a loud groan of contentment, Aminah orgasmed powerfully as she too covered my cock and balls in her girlie sex juice. Then both girls knelt at my feet. I gasped as they played with my meat, taking turns to wank, lick and suck its swollen, purple head. As one girl wanked me, the other sucked me off.

"I'm going to come!" I yelled, and my cock erupted and shot a full load of hot, white come all over their pretty faces. The spunk went everywhere – in their mouths and over their faces, it dripped down onto their necks and tits. Some even landed in their hair! What a sight they both were, plastered in my spunk! It was mind-blowing, filthy sex, which I'll certainly never forget!

Karina Grand

Grand by name and by physical nature, in which I am sure you will agree, though Karina is entirely down to earth and ready for a giggle, wasting no time cracking jokes on arrival, she would make even the most awkward person feel comfortable, with her large welcoming smile. “I find it hard to do a sultry, sexy face for the camera, as all I want to do is laugh most of the time.” Sounds like Karina all over, though she’s doing a pretty good job from where we’re sitting.

MELISSA HOWE

Howe do you solve a problem like Melissa? “Ha ha, is that a reference to *The Sound Of Music*? Do you know how many times I’ve heard that before? It’s not like I’m a sweet and innocent nun! I’ve got my vagina on full show for heaven’s sake!” Well, you’ll probably hate the cover line ‘Howe Do You Do?’ then! “Never heard that one before either!!!” What would you like us to talk about then? “Nothing, just let me do my thing and my photos can do all of the talking.” Fair enough, please carry on...

AMBER

A star has been born! We've really got to stop all of these silly puns! But, we really do wish that Amber Starr would fall from the sky and land directly on our lap! Oh wait, that's exactly what's just happened! "I'm hardly on your lap am I, it's more like I'm sat on the sofa in your photo studio. And I have to say that I'm having lots of fun!" But wouldn't it be more exciting to be straddled with your legs spread on top of the said Ed? "I guess it all depends on how big his appendage is doesn't it?" It's probably a firm no then (sorry, that's the last pun!).

Kim

For a girl of only 18-years-old Kim Barry is extremely well travelled. She's been to America, Canada, Northern Italy, the South of France and then to Spain, spending several weeks in each location. Yes, I have to admit that I'm a very fortunate girl' says Kim, 'but it's always a bit of a busman's holiday when I go away. Some of the trips I go on I do a bit of modelling, but my first love is the arts, and when I visit a new country I try for an overdose of culture.' The best thing about these Classic sets, as well as providing a perfect look back at some of our favourite Mayfair babes of the past, is that they remind us of times gone by. Good times. Happy times.

Times before the internet, satellite television, drugs and techno music. Times when all you needed to have fun was a little bit of good weather, a smile on your face, a pretty woman on your arm and a cheery naked pedalo ride off Brighton beach. Of course, try that nowadays and you'll have very little fun at all, my friend. You'll more than likely just end up getting nicked for indecent exposure and a lifetime ban from all the beaches in the country. It's political correctness gone mad, I tells ya! I hope it doesn't make me sound all high brow and dull.' continues Kim. 'but since I was a small child I've always loved the arts and so far I have spent all my life studying music, art and drama. So, when Kim steps off the plane at her latest port of call she buys the local equivalent of Time Out and tries to squeeze in as many art galleries, theatres and concerts as time permits. When it comes to art Kim has quite an affinity for life study and she's not averse to posing her own 36-24-34 body. Despite Kim's thirst for few of the more usual tourist haunts - like the top of the Empire State building and one of her favourite beauty spots was the Niagara Falls in Canada. But Kim Barry's compulsive wanderlust may well come to end shortly. Her three main ambitions are to become successful, famous and 'to find a really beautiful guy to marry. When she's achieved these three mere trifles Kim will probably plant her roots in Italy. 'It was such a beautiful country,' says Kim and I wouldn't mind my own villa there some day. Meanwhile Kim continues to live in her Kent countryside residence. She's keeping stum about the exact location of the village, but Kim gave away a couple of small clues when she spoke about her keep-fit routines. 'I like to stay fit by going for a swim every morning,' said Kim 'otherwise I jog round the park as many times as I can.'

I'M KNACKERED! HOW MUCH FURTHER TO THE FALLOPIAN TUBE?
A LONG WAY YET—WE'VE ONLY JUST PASSED THE TONSILS!

SARA

Mmm, Sara's rather pleasing on the eye, isn't she? No wonder the Ed thought she deserved the honour of appearing in this issue! Boobs like that always deserve a bit of special attention, after all! "You don't have to worry about them not getting any attention!" Sara laughed when we made this point to her. "Ever since they grew to this size, they've been getting plenty. I wish I had a pound for every time I'd been talking to a guy and realised that his gaze had drifted down to them!" Hmm, well you could probably keep them covered up or something if it bothers you. "Who said it bothers me?! If I didn't like guys looking at my boobs, I'd hardly be appearing in the magazine, would I? I absolutely love the way I can almost hypnotize men with them and get them to do exactly what I want them to do!" Well, we hope you exercise your power responsibly, because you could really do some damage with those beauties!

Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

Tony and I had been friends for years. Some people might think it odd for a guy and a girl to hang out all the time without ever being an item, but I honestly never thought of Tony as anything more than my best mate until three weeks ago. A group of us had hit the clubs in town, and most had found a partner for the night, pretty much everybody except Tony and me. So, while the others were grinding against other people on the dance floor, Tony and I propped up the bar, eventually getting totally hammered.

In the taxi we shared on the way back to our respective flats, Tony was complaining that he just couldn't understand why he hadn't pulled. It was indeed unusual. I'd never known him not to score in a club. Frankly, he is one of the most egotistical men I know, but women love him.

I nodded, adding that I was disappointed, too. I hadn't scored either and I was going home to a cold bed and my vibrator.

Just about then, the taxi drew up outside Tony's, and he got out and paid, but instead of telling the driver to take me on to my flat, he grabbed my hand and dragged me out after him.

As soon as he got me into his flat, we were in the bedroom. We kissed passionately, and I felt his tongue push between my lips, exploring. His hands moved to my tits, squeezing them through my dress and making me so hot that I soon felt wet between my thighs.

I could feel his cock straining in his trousers and pressing against my stomach. My fingers fumbled intuitively to free it, but he took my hand in his, holding it back. Breaking our kiss he muttered, "Not yet," and, unzipping my dress at the back, he spun me and flicked the spaghetti straps off of my shoulders. My dress slid down to the floor, releasing my big breasts.

Both of my nipples were tingling and erect, waiting for him to touch them again. Before he did, though, he undressed himself, moving closer to me as he stepped out of his clothes.

We both stood just staring at each other for a second or two.

His body was a surprise, because with his clothes on he looked tall and lanky, but now in front of me I could see a toned, defined body, not to mention the outline of a large, erect cock in his boxers.

> "I was so wet that his fingers slid from my clit straight inside my pussy. His other hands moved beneath my arse and a finger ran around the edge of my arsehole."

Tony put his hands on my arse and drew me to him. Then he slid a finger between my legs. Deftly he began teasing my labia and clit until I couldn't take any more.

I didn't want to climax just yet, that would only put him in the driver's seat, so, pushing him back onto his bed I tugged my panties down, revealing the neatly trimmed strip of hair on my damp pussy. If he wasn't going to let me touch him I was going to touch myself and tease us both.

Slowly, I placed my hand on to my neck and ran it down over my breasts, pulling and circling my nipples, then I moved them down over my stomach, making my pussy juices leak as I brushed my fingertips against my clit. Raising one leg onto the end of his bed, I enjoyed seeing him studying me with growing excitement.

My fingers soon found a regular rhythm as they ran over my clit, rubbing it, and then tugging it and then rubbing it again.

I slid a finger inside my warm wet fanny, and my pussy spasmed as waves of pleasure rippled through me.

Having shamelessly wanked myself to a shuddering climax without paying Tony any attention, I sat down heavily on the edge of his bed and lay back. Tony sat up, muttering what a filthy bitch I was, and sucked my juices off my fingers.

With both hands on his strong chest I rolled him onto his back, and

kneeling next to him I pulled off his boxers, finally freeing that cock.

Seeing how rigid he was, I grasped his shaft and licked his cock from balls to bell end, lapping up his pre-come before taking as much of his shaft into my mouth as I could. Swirling my tongue around, I began to suck hard until I felt his cock stiffen even more in my mouth.

With a grunt, Tony pulled his cock from between my lips, telling me he was close to spunking and how badly he wanted to fuck my pussy. I just fluttered my eyelids as though I was doing him a favour and allowed him to roll me onto my back. Tony began snogging me passionately, his lips quickly moving down to my boobs. He sucked, bit and pulled my rock hard nipples.

Then, without warning, he plunged a hand between my legs. I was so wet that his fingers slid from my clit straight inside my pussy. His other hands moved beneath my arse and a finger ran around the edge of my arsehole. It made me jump, no one I had ever been with had done this. Tony must have felt me twitch, because he asked if it was okay. But at least the normally arrogant bastard was asking, so I just smirked at him.

Taking my smile as the green light to go ahead, Tony lubed up his fingers with my juices, and started to push one into my hole slowly until the whole finger was inside my ring. It was uncomfortable, but soon my body became used to it being there and it relaxed.

Tony started to finger-fuck my arse, and, leaning down and flicking his tongue across my clit, his finger still poking my bum-hole, he sent me over the edge.

My hands pushed his head tight into my pussy as he licked and finger-bum banged me to a completely fucking mind-blowing climax.

Then he climbed on top of me, nudging his cock against my soaking wet pussy, sliding it easily inside me. My pussy quivered,

"He just kept fucking me harder and harder. Digging my nails into his back, I screamed as I exploded. My cunt clamped tight around his thick cock as he continued to fuck me fast and furious."

clamping down on it as he drove his cock into me with such swiftness I had to hold onto him tight.

After pounding me hard and fast for a while he slowed, shunting deep then withdrawing nearly all the way before pushing in deep again.

His room smelled of sex as we grunted and moaned and he kept up his relentless pace of fast and slow, shallow and deep, over and over again. My back arched as I came again, but Tony didn't slow down. He just kept fucking me harder and harder. Digging my nails into his back, I screamed as I exploded. My cunt clamped tight around his thick cock as he continued to fuck me fast and furious. Then, with one more thrust, he grunted and drained his balls into my spasming fanny.

Sharon, Keele M

Last summer, I was working at a Youth Hostel in Wales. I was a bit lonely at first as I didn't really get on with anyone, but then I met Steph.

She was 23, quite tall, with an athletic figure, long hair and a great pair of tits.

She used to wear these really tight black trousers that showed off her bum, and I would catch glimpses of her tightly wrapped arse in the kitchen, and when she was bending over cleaning the showers. We would muck about while working, each of us being turned on more and more, until one night when Steph came into my room and climbed into bed with me.

I could feel her round soft breasts and warm flat stomach pressing against me as she affectionately cuddled into my back. I savoured the moment, but Steph knew what she wanted and moved her hand round to stroke my chest.

She slowly moved her hand down to my stiff dick and wrapped it in her fingers, rubbing my knob with her thumb. I rolled over to face her, kissing her hard on the mouth. I kissed my way down her neck and then took a nipple at a time in my mouth, rolling my tongue around them until they were rock solid.

Snaking my way down her body, I could feel her long slender legs moving apart.

I stroked and licked the insides of her thighs, working my way down to her silky cunt lips with my tongue and sucking her juice. She writhed with pleasure as I continued to stroke up and down her delicious fanny.

As I was concentrating on her slit she went over the edge and came to a shuddering climax, sighing loudly and bucking her hips to meet my lapping tongue.

I revelled in all the goo covering my face and mouth before Steph took control, rolling me onto my back and sliding her lips over the helmet of my engorged prick before climbing up my body and straddling my hips.

She lowered herself onto my cock and I could feel her pussy tunnel slowly envelop me. We bucked and writhed together, her juices running down my prick as it slid in and out of her warm, tight and very wet hole.

I reached up and fondled her tits and held those lovely hips of hers tight so I could drive her down onto me. We came together and held each other tightly as our orgasms shuddered through our sweating bodies.

That was the first of many fucks we had, but the best was yet to come!

Towards the end of my time at the hostel a young Swedish girl called Lynne came to work with us for a while as she was travelling around Europe. Lynne was smaller than Steph and had long dark hair and a fit, slim figure. We had a good laugh with her in the pub as she couldn't quite get the hang of the strong cider.

Steph and I decided she was a bit shy and we talked about getting her into bed with us to bring her out of her shell.

I never really thought this would happen, but one night, after an evening in the pub, the three of us ended up in my room.

I was a bit pissed and decided to get into bed and nodded off while the girls chatted. Not long after, I was woken up, when the two girls climbed into bed with me. I was still dozy and just put my arm round both of them.

A few minutes later I became aware of the girls kissing each other and I quickly sobered up. I could feel my prick growing and pressing into Steph's back, as she and Lynne held each other close, their breasts pressing together, their kissing becoming more passionate.

Steph took the initiative and I could feel her move down between Lynne's lovely thighs, which I now began to stroke as I kissed her. She wriggled as Steph's tongue probed the wet folds of her cunt and her hands gripped Lynne's hips as she brought her to climax.

I took Lynne's nipples in my mouth one at a time and sucked them as Lynne moved position and went down on Steph, who I began to snog, tasting the musky juices smeared on her lips and chin by Lynne's hot little fanny.

I positioned myself a bit closer to her so that I could ease my cock into her tight hole, wet with saliva and her own juices.

I did this from the side so Lynne could continue fingering Steph's clit and vulva as I pistoned my length in and out of her.

All the time Lynne was kissing Steph's inner thighs and fondling her tits, massaging her body as she arched her back and bucked her way to climax with me deep inside her. I pulled out and lay on my back as Lynne took my hard, dripping cock in her mouth and sucked and bobbed up and down on it, her long, dark hair cascading over my legs.

I felt so horny again as Steph lowered herself over my face, her legs wide apart, so I reached up with my tongue to lap at her wet fanny lips. Lynne decided she needed me inside her and dropped her tight wet cunt onto my waiting dick. The feeling of her hole sliding down my shaft was unbelievable as I drove my tongue as far as I could up inside Steph.

The two girls leaned toward each other and kissed, holding onto each other as they both rode me at the same time. The feeling of one girl's hot, soaking cunt on my mouth and the other's on my dick was truly unbelievable, and we all came to fantastic, writhing orgasms within minutes and collapsed, sopping wet and hot.

We lay there, the three of us until morning, when we kissed and cuddled before reluctantly getting up for work.

We never had another threesome as Lynne went on her travels a couple of days later, but she certainly wasn't forgotten. In fact, she was in our thoughts and fantasies every time Steph and I fucked from that day on.

Jeremy, Hartlepool

My boyfriend Harry is a brilliant laugh. He loves to wind me up by thinking up new ways of spicing up our love life. Not that it needs the spicing because it is pretty much red hot already, what with him always having a raging hard-on and me with a sex drive to match.

I usually pretend to be shocked when he turns up with some weird new device or some out-of-this world costumes for us to role-play in. It's always a great laugh when he finds some new gimmick to getmy juices running, but every once in a while he will come up with something that really trips my trigger, and that I want to experience again and again.

It was the incident with the vibrating butt plug that totally rocked my world and convinced me that I had missed out on anal sex for far too long. It was probably the best sex I had ever had, and was totally the hottest time I remember having with Harry.

It all started with a trip to a sex shop, where we had planned to buy a new vibrator and perhaps pick up some kind of novelty item. I was browsing along the rack of vibrators when I saw this odd-shaped contraption, which I didn't immediately recognise as a butt plug.

Seeing me studying it, Harry took the item to the counter and said he was paying. I thought nothing of it until I was in the car on the way home and rummaging in our goodies.

I almost had an accident in my knickers when I found that it was an inflatable vibrating butt plug! Harry laughed at mydismay and promised to stop if I found it too uncomfortable in my arse. I was pretty hot by then, just thinking of the fun we had planned, so I agreed to try it out as part of our activities.

Once in the bedroom we emptied the bag on the bed and I draped

some towels over the quilt to protect the bed linen. I lay down on the towels and asked Harry to drizzle some relaxing massage oil all over my tits and across my belly, and he was only too pleased to oblige. Working the essential oils into my breasts, he deliberately avoided my nipples, which is always a serious tease. I was totally turned on and my pussy throbbed as my back arched and my legs parted. Harry's fingers gently rubbed my tummy, moving ever so slowly between my thighs, then dipping between my legs and finally massaging my clit until I was gasping, begging him to fuck me.

But, being Harry, he wanted to try out his new toys, so he removed them from their packaging and placed them within reach on the quilt. Then, selecting a vibrating dildo he climbed on top of me in the 69 position. His cock and balls dangled tantalisingly over my mouth as he switched on the vibrator. As he lowered his body on top of me I sucked his cock into my mouth and he rubbed the vibro against my clit, making my pussy contract and my juices dribble.

"My juices leaked more as my contractions became stronger, and I shook from my toes to the top of my head as I came long and hard with my mouth full of my boyfriend's hard prick."

Soon we were gripped in a frenzy of mutual masturbation and I took his cock deep in my mouth, caressing his nuts as he pumped my face rhythmically while using the vibro on my pussy. I was gagging on his deep skull-fuck thrusts as my whole body responded to the vibrations in my clenching pussy. All too soon I was coming hard as hell, my pussy gripping tightly around the plastic vibrating cock that Harry was manipulating so expertly in my pussy.

My juices leaked more as my contractions became stronger, and I shook from my toes to the top of my head as I came long and hard with my mouth full of my boyfriend's hard prick.

As my body writhed and my orgasms flowed one into the other, Harry switched off the vibe and turned his attention to my anus. Sucking on my juice-filled fanny, he licked between my pussy lips and back towards my anus, tonguing my tight ring until I was almost frenzied with need. I had never had anal sex before, but I loved the fabulous new thrill I was getting from Harry's tongue. I guessed what he was thinking when I felt him groping about on the quilt, and when he raised his head and squeezed some lube onto my arsehole I just went along with it.

It felt pleasant and my pussy throbbed as he worked the lubricant into my tight bum-hole, gently inserting a finger. I was so well lubed up that I hardly noticed when he finally got his finger all the way in and began moving it around. Harry told me to play with my clit, and then he took the butt plug and pushed it against my anus. My pussy was wet and hot, and as I frigged myself I barely noticed the discomfort when Harry pushed the plug right into my gripping sphincter.

Once the plug was inside my arse, Harry took over from my fingers, lapping and sucking at my flowing juices. As I writhed on the bed, completely out of it, Harry turned the vibrations on in the arse plug and I started to cum off. At the same time my rear entrance was going into spasm. I had never been so fucking hot!

Harry grinned down at me as he mounted my soaking pussy and began to slam in and out of me. I have never felt so totally screwed and used before, and I bucked and squealed as Harry continued to hammer my sopping hole remorselessly with his rock-hard rod.

I was gripping his back and biting his shoulder as he inflated the plug, dampening the vibrations to a steady purr. Then with a great loud moan, Harry pumped his cock into me one last time, his body shuddering as he pinched my nipples, making my fanny grip around his cock as he flooded my pussy with his warm spunk.

TANYA

What a sight it is to see Tanya Tate on her back with her legs akimbo and her fingers peeling her pussy lips apart, giving us a view of that tight pink pussy of hers. Her bum hole looks pretty inviting to us too! "I've always had a tight pussy, but that hasn't stopped me from fitting big things up inside it when the situation arises! I've got to be a little bit more careful with anal sex, but with some gentle play and lots of lube I've never not been able to take a cock in my rear entrance! If you want to get things over and done with minimal fuss you can just flop your cock in between my breasts and let me wank you off nice and fast!"
